Test sponsors are permitted to request retroactive registration for operationally valid Sequence IIIH, IIIA and IIIB tests that started in calibrated stands on or after April 15, 2016, but before September 7, 2016. Note that test sponsors may only request retroactive Sequence IIIH, IIIA and IIIB registration with the ACC Monitoring Agency (ACC MA) from April 15, 2016 through December 1, 2016.
