

July 17, 2008

Dear Colleagues:

Seventeen companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of June 30, 2007 through June 30, 2008. All seventeen companies submitted a Letter of Intent. Fourteen companies completed the compliance audit and three companies verified that no candidate tests were scheduled or registered.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation  
Afton Chemical Corporation Test Laboratory  
The Valvoline Company - Ashland  
BP Lubricants USA, Inc.
