

August 4, 2016

Dear Colleagues:

Twenty-two companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of June 30, 2015 through June 30, 2016. All twenty-two companies submitted a Letter of Intent. Sixteen companies completed the ACC compliance audit checklist, four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered and two new test sponsors (Eni S.p.A and Saudi Aramco) entered the compliance system after March 30, 2016.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation
Afton Chemical Corporation Test Laboratory
Ashland Engine Testing Laboratory
BASF Corporation
BP Lubricants USA, Inc.
Chevron Oronite Company LLC
