KANSAS
Legislature: Suspended effective March 19. Target return is late April.
COVID-19 Status: No Stay-at-Home order statewide. Four Kansas counties encompassing Kansas City and its suburbs - Douglas, Leavenworth, Johnson and Wyandotte – and two neighboring Missouri counties - Jackson and Platte - ordered people to stay home unless carrying out essential activities, such as grocery shopping or going to work. Effective March 24 to April 24, unless extended. Executive Order 20-14, issued 3/24/20, replaces an earlier order, limits mass gatherings of 10 persons or more, and specifically exempts manufacturing, processing, distribution and production facilities, as well as office spaces.
DHS Critical Infrastructure Exemptions: ACC shared CISA Guidance with the four Kansas counties and two Missouri counties, and received confirmation that the chemical sector would be considered essential and not require special documentation.
Building and Construction Exemption: Executive Order on mass gathering doesn’t mention building and construction; rules on 10 people in enclosed space and six feet distancing would apply. County orders vary. Counties of Douglas, and Johnson exempt work necessary to the operations and maintenance of “Essential Infrastructure,” including public works construction, construction or repair of housing (in particular affordable housing or housing for individuals
experiencing homelessness), and commercial construction. County orders of Leavenworth, Wyandotte and Jackson (MO) have similar language, but don't mention commercial construction.
