

July 21, 2014

Dear Colleagues:

Nineteen companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of June 30, 2013 through June 30, 2014. All nineteen companies submitted a Letter of Intent. Fifteen companies completed the ACC compliance audit checklist and four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation
Afton Chemical Corporation Test Laboratory
Ashland Engine Testing Laboratory
BASF Corporation
BP Lubricants USA, Inc.
Chevron Oronite Company LLC
Chevron Oronite Technology b.v.
Evonik Oil Additives
ExxonMobil Research and Engineering Company
ExxonMobil Test Laboratory
FUCHS Europe Schmierstoffe GmbH
Green Earth Technologies
Infineum U.S.A. LP
Intertek Automotive Research
The Lubrizol Corporation
Lubrizol Wickliffe Mechanical Testing Laboratory
PetroChina Lubricant Company
Southwest Research Institute
Test Engineering, Inc.

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

Dave Duncan

Dave Duncan, Chairman
Product Approval Protocol Task Group
