

December 19, 2023

Dear Colleagues:

Twenty-four companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of March 31, 2022 through March 31, 2023. All 24 companies submitted a Letter of Intent by the due date. Twenty companies successfully completed the ACC compliance audit checklist and four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered during this time period.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation	LLK-International (LUKOIL Lubricants Co)
Afton Chemical Corporation Test Laboratory	The Lubrizol Corporation
BP Lubricants USA, Inc.	Lubrizol Wickliffe Mechanical Testing Laboratory
Chevron Oronite Company LLC	PetroCanada Lubricants, Inc.
Chevron Oronite Technology b.v.	Petro China Lubricant Company
Eni S.p.A.	RIPP_Sinopec Lubricant Co.
Evonik Oil Additives	Saudi Aramco
ExxonMobil Technology and Engineering Company	Sinopec Lubricant Co., Ltd.
ExxonMobil Test Laboratory	Southwest Research Institute
Fuchs Lubricants Germany GmbH	Test Engineering, Inc.
Infineum U.S.A. LP	Valvoline Product Application Laboratory
Intertek Automotive Research	Xinxiang Richful Lube Additive Co., Ltd.

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

A handwritten signature in cursive script that reads "Greer Gibbons".

Greer Gibbons
PAPTG Chair

A handwritten signature in cursive script that reads "Colleen Stevens".

Colleen Stevens, ACC
PAPTG Manager
