

SPEAKER INTRODUCTION

Dr. Kimberly Wise White

Vice President, Regulatory & Scientific Affairs

Dr. Kimberly Wise White is the Vice President of Regulatory & Scientific Affairs at the American Chemistry Council. A toxicologist with more than 15 years of experience, she is a recognized expert on chemical regulation, risk-based policymaking, TSCA implementation and U.S. manufacturing competitiveness. Dr. White regularly represents industry in policy discussions with federal and state policymakers, including testimony before congressional committees. She holds a Ph.D. in Environmental Toxicology from Texas Southern University.
