

SPEAKER INTRODUCTION

Martha Gilchrist Moore

Chief Economist & Managing Director, Economics & Data Analytics

Martha Gilchrist Moore is the Chief Economist and Managing Director of Economics & Data Analytics at the American Chemistry Council. With more than 25 years of experience, she analyzes the economic, trade, energy, and regulatory issues that influence the competitiveness of the U.S. chemical industry. She is a nationally recognized economist and serves on the boards of the National Association for Business Economics and the National Capital Area Chapter of the U.S. Association for Energy Economics. She holds a master's degree in economics from Indiana University and a bachelor's degree from the University of North Carolina at Chapel Hill.
