

February 10, 2021

Dear Colleagues:

Twenty Companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of June 30, 2019 through June 30, 2020. All twenty companies submitted a Letter of Intent by the due date. Seventeen companies successfully completed the ACC compliance audit checklist and three companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered during this time period.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation	Intertek Automotive Research
Afton Chemical Corporation Test Laboratory	LLK-International (Lukoil)
BP Lubricants USA, Inc.	Lubrizol Wickliffe Mechanical Testing Laboratory
Chevron Oronite Company LLC	PetroChina Lubricant Company
Chevron Oronite Technology b.v.	PetroCanada Lubricants, Inc.
Eni S.p.A	RIPP_Sinopec Lubricant Co.
Evonik Oil Additives	Southwest Research Institute
ExxonMobil Research and Engineering Company	Test Engineering, Inc.
ExxonMobil Test Laboratory	The Lubrizol Corporation
Infineum U.S.A. LP	Valvoline Product Application Laboratory

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

Joan Evans
