

July 24, 2013

Dear Colleagues:

Eighteen companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of June 30, 2012 through June 30, 2013. All eighteen companies submitted a Letter of Intent. Fourteen companies completed the compliance audit and four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered. The ACC Product Approval Protocol Task Group (PAPPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation
Afton Chemical Corporation Test Laboratory
Ashland Engine Testing Laboratory
BASF Corporation
BP Lubricants USA, Inc.
Chevron Oronite Company LLC
Chevron Oronite Technology b.v.
Evonik Oil Additives
ExxonMobil Research and Engineering Company
ExxonMobil Test Laboratory
FUCHS Europe Schmierstoffe GmbH
Infineum U.S.A. LP
Intertek Automotive Research
The Lubrizol Corporation
Lubrizol Wickliffe Mechanical Testing Laboratory
PetroChina Lubricant Company
Southwest Research Institute
Test Engineering, Inc.

The ACC PAPPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

Joan Evans
