Dear Colleagues:

Twenty companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of March 31, 2024 through March 31, 2025. All 20 companies submitted a Letter of Intent by the due date. Seventeen companies successfully completed the ACC compliance audit checklist and three companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered during this time period.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation	Fuchs Lubricants Germany GmbH
Afton Chemical Corporation Test Laboratory	Infineum U.S.A. LP
Beijing Research Institute, Sinopec Lubricant Co., Ltd.	Intertek Automotive Research
BP Lubricants USA, Inc.	The Lubrizol Corporation
Chevron Oronite Company LLC	Lubrizol Wickliffe Mechanical Testing Laboratory
Chevron Oronite Technology b.v.	PetroCanada Lubricants, Inc.
Eni S.p.A.	Petro China Lubricant Company
ExxonMobil Technology and Engineering Company	RIPP_Sinopec Lubricant Co.
ExxonMobil Test Laboratory	Southwest Research Institute
	Valvoline Product Application Laboratory
	Xinxiang Richful Lube Additive Co., Ltd.

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,
